

Dear Parents,

We are excited to introduce you to iTHINKERS Olympiad, an assessment organization that conducts Olympiad exams for students from classes 1 to 10 in India, Middle East and South Asia. The Olympiad exams are based on the school syllabus and cover various subjects such as English, Mathematics, Science, Hindi and Social Studies.

The exams are designed to challenge students and encourage them to think critically, solve problems, and apply their knowledge in real-world situations. By participating in the Olympiad exams, students can gain confidence, develop important skills, and prepare themselves for future academic and professional opportunities.

For Students:

Detailed Report

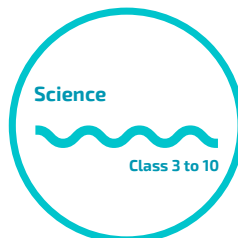

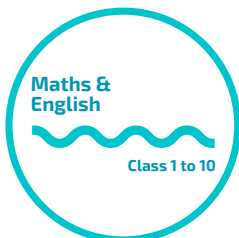

Medals & Certificates

No additional practice book is necessary for students to prepare for the exam; they can rely solely on their class textbook.

We believe that iTHINKERS Olympiad provides a unique opportunity for students to showcase their skills and knowledge, identify their strengths and weaknesses, and help them improve their academic performance.

We are pleased to offer you the opportunity to enrol your child in iTHINKERS Olympiad. The exam dates, and pricing are provided below:

National Exam Dates : 18th to 23rd November 2024

Contact your school Olympiad coordinator or class teacher for registration.
